

WALK THE WALK WITH JACK WELCH

Remainder of October and the first 23 days of November 2016

The Festivus Holiday for us is from (and including) November, 24th 2016 through (and including) January, 1 2017.

Festivus - For The Rest Of Us - is our special celebration of the season based on doing all the seasonal activities we can as inexpensively as we can. Yes we are cheap, but we also believe too much money is unwisely spent in this season of fun and joy thus detracting from its true intent. Flagstaff is a wonderful community and our Festivus is based on proving that to be totally true.

So start practicing your "Happy Festivus" greeting.

Everybody Welcome and Please Do Bring A Friend to any or all of the Festivus activities. The Total Festivus Holiday Schedule will be printed late next week and e-mailed to you. Hard copies will be available at the Adult Center in the information stand next to the computers and I will have copies with me at all of our coming activities.
